THE NATIONAL GRID
TO GIVE A GRID REFERENCE CORRECT TO 100 METRES

EXAMPLE New Inn (PH)

The Grid letters on this sheet are SD

EAST	NORTH
Take south edge of kilometre square in which point lies and read the large figures printed opposite this line on north or south margins.	Take south edge of kilometre square in which point lies and read the large figures printed opposite this line on east or west margins.
Estimate tenths Eastwards	Estimate tenths Northwards
827	163

Full 100 Metre Reference SD 827163

The above Full Reference is unique. For many purposes the first grid letter can be omitted, giving a reference D 827163 which recurs at intervals of 500 Kilometres. If both grid letters are omitted, the resulting reference 827163 recurs at intervals of 100 Kilometres. When the area concerned is sufficiently restricted, as will usually be the case with maps on scales of one inch to one mile and larger, both the grid letters are normally omitted.

At the Eastern edge of this sheet True North is 0° 11' East of Grid North and at the Western edge 0° 15' East of Grid North. Magnetic North was about 9° West of Grid North in 1967 decreasing by about 1" in six years.

1 square inch on this map represents 17.778 acres on the ground.

The representation on this map of a road, track or path is no evidence of the existence of a right of way.

SURVEY DIAGRAM

1962	1962	1962	1962	1962
1962	1962	1962	1962	1962
1962	1962	1962	1962	1962
1962	1962	1962	1962	1962
1962	1962	1962	1962	1961

The figures shown are the dates of survey of the plans from which this map has been compiled. Contours were not surveyed at these dates, but were taken from the previous Six Inch County Series. Boundaries revised to 1:50,000. Major results revised 1965.

Legend

Road: Single Track, Double Track, Motorway, Class 1 Road, Class 2 Road

Railways: Standard Gauge, Narrow Gauge

Other features: Roofed Building, Glasshouse, Rain, Antiquity (site of), Siting Station, Sloping Masses, Grand Pit, Sand Pit, Overgrown Pit, Quarry, Chalk or Clay Pit, Refuse or Slag Heap, Boulders, Dunes, Electricity Transmission Line, Trees, Conifers, Non Conifers, Scrub, Bracken, Heath, Rough Grassland, Pylon, Pole, Coppice, Orchard, Reeds, Marsh, Saltings, Shingle, Direction of flow of water, Lake, Loch or Pond
